February 29, 2012

The price of Bimeks shares which started to trade on the Istanbul Stock Exchange Market on 14th April 2011 with a price of 4,5 TL per share, fell significantly below the IPO price with the negative effect of global economic crisis.

Due to the reason stated above, Bimeks Board of Directors held a meeting on 29th February 2012 and the following subjects have been decided by unanimity of the participants;

1)To repurchase of the shares within 60 days on the Istanbul Stock Exchange Market, by evaluating market conditions if deemed necessary, as the existing share price does not reflect the actual performance of the company. And also to prove to the public the Company's own trust to its shares.

2) To allocate funds of maximum 24.000.000 TL out of equities for the buyback of shares.

3)To repurchase up to 6.000.000 shares with nominal value which is the %10 of paid in capital 60.000.000 TL. and the upper limit determined by the Capital Markets Board of Turkey.

4)To provide information to General Meeting regarding the buyback of shares.
